## 3. Applied standards and references

- **ISO 9994:2018** – Lighters – Safety specification
- **EN 13869:2016** – Child-resistant lighters – Requirements and test methods
- **Directive 2001/95/EC** – General Product Safety Directive (GPSD)

## 4. Additional information

- All models are refillable jet-flame or standard-flame metal lighters, designed for consumer use and tested according to ISO 9994.
- Child-resistant functionality verified according to EN 13869.
- Variations between models are limited to **finish, colour and decorative design**; safety-critical components and performance remain identical within each product family.

## 5. Declaration

We confirm that the above-listed products, when used under normal and reasonably foreseeable conditions, are safe and conform to the applicable EU safety requirements.
